**Most Diaphragm Windmill sellers would agree that the Americans Eagle Windmills is the Best Quality Pond Aeration Windmill on the Market (Hands Down) but since we don't offer Dealerships, they are forced to sell the old design Diaphragm mills. So in order to make sales they often shower potential customers with a little lower price or they'll include many extra accessories such as (stones/decoys/buckets/hoses/ hinges) to make you feel like you're getting a better deal with them, Hoping you'll forget about all the ABOVE FACTS & How much LOWER Quality their windmills are built.**
